

ABOUT US

The Islamic Center of Frankfort (ICF) was founded in 1998 as a welcoming place for all Muslims. As our community has grown, we purchased land to build Frankfort's first purpose-built Masjid. To cover the estimated \$1.5 million construction costs, we are seeking your support.

THE COMMUNITY AND ITS HISTORY

Frankfort, the capital of Kentucky is a small town with an estimated 40 Muslim families. In 2002, the community purchased and renovated a rundown meat processing store to establish the Masjid, which now serves approximately 70 families including those from nearby towns. However, the current building is too old to renovate and lacks clean, functional bathroom and wadu facilities. The existing small lot, with only 13 parking spots, cannot accommodate the growing needs of the community for a new Masjid.

Existing Building

OUR COMMUNITY ACHIEVEMENTS

Islamic Center of Frankfort receives special attention as it represents the Muslims at the capital. ICF actively participates and even leads the Kentucky Muslim activities in the capital, participates in many social and charitable activities, leads the interfaith initiatives, and regularly draws attention from the media.

Some of the activities currently held include:

- Daily and Jumaa Prayers
- Halaqas
- Community Dinners
- Taraweeth and Community Iftars
- Interfaith Programs

LAND PURCHASE & PLAN APPROVAL

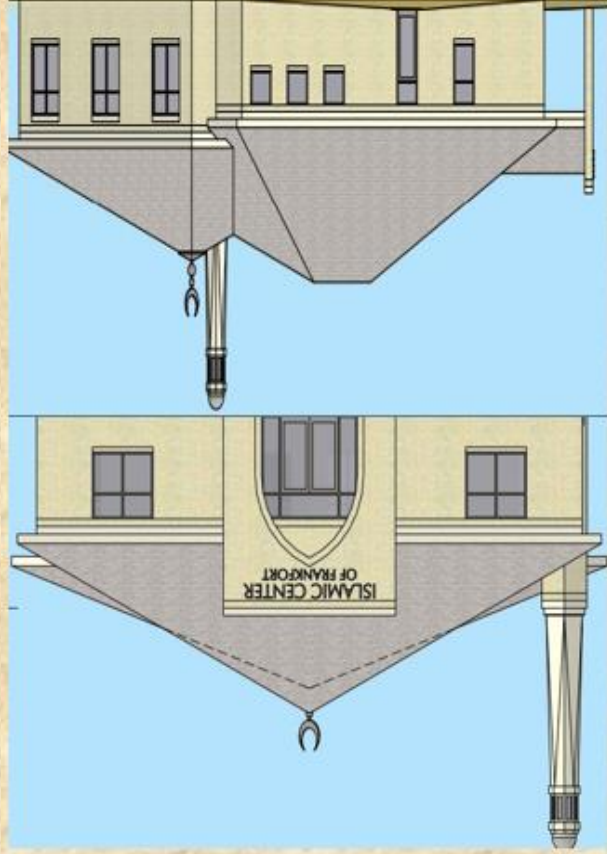

In 2022, we purchased a properly zoned 2.5-acre land at 160 Flynn Avenue, which is centrally located and situated on a central highway that connects much of Frankfort. We have completed the site plan and civil engineering documents and obtained the necessary land development permit. McCoy Architects LLC has been contracted to complete the required architectural drawings for the project and we are currently in the process of obtaining the final building permit.

NEW BUILDING LAYOUT

The plan is to build a two-floor, 8,500 square foot building (basement and first floor). The Masjid will have a prayer area that accommodates 200 people for Jumaa and includes library and an office. The basement will have storage area, kitchen, and a community gathering area. The new location will have over 100 parking spaces, grassy play area and a picnic shelter for children and activities.

Masjid Project

HOW YOU CAN HELP

Alhamdulillah, we have about \$500K of the estimated \$1.5M that we need for this construction project. We are currently working actively to raise remaining funds to begin the construction during summer of 2023.

We invite all those who wish to build a house for Allah to donate toward this worthy goal. Remember, the Prophet (PBUH) said:

"Whoever builds a Masjid for Allah, Allah will build for him a house like it in Paradise."

Please support this effort by donating generously. May Allah reward your good deeds with Jannah, inshallah.
